

Privacy Policy

Last updated: 2026-01-01

Your privacy is important to us. This app is designed to help you manage your diecast collection while respecting your personal data.

Information We Collect

The app does **not** require account registration and does **not** collect personal information such as name, email address, or location.

The following data may be stored **locally on your device**:

- Collection items you add (names, brands, scales, tags, notes)
- Photos you choose to take or select from your photo library
- App settings and preferences

Photos

If you choose to add photos to your collection, the app may request access to your camera or photo library.

Photos are used **only** to display items in your collection and are **not uploaded or shared**.

Data Storage

All data is stored locally on your device. We do not collect, transmit, sell, or share your data with third parties.

Analytics & Tracking

This app does **not** use third-party analytics, advertising SDKs, or tracking technologies.

Third-Party Services

The app does not integrate with external services that collect personal data.

Data Security

We take reasonable measures to protect your data. Since all information is stored locally, you remain in full control of your collection.

Children's Privacy

This app does not knowingly collect any personal information from children under the age of 13.

Changes to This Policy

This Privacy Policy may be updated from time to time. Any changes will be reflected within the app or on the App Store listing.
